<p>Report</p> <p>The fee for this will and the next stage will be agreed in advance. This covers the Advice and Suitability Report that includes the advice and recommendations appropriate to your circumstances. This fee will depend on the complexity.</p>	£250 to £1,500
<p>Implementation</p> <p>The necessary work to put in place the advice and make it work. This will include making application and any other supporting information. This reflects the value of the investment concerned and may or may not include continuous servicing as an additional annual charge.</p>	0% to 1%

The additional annual growth required over 5 years is 0.28%. Over 10 years it is 0.14%.</p>	

If you require ongoing advice, you will select one of the following servicing programmes. Assets that are to be advised on by Aspen Wealth Management are generally held by a suitable Custodian. Aspen maintains relationships with a number of Custodians and the most appropriate will be recommended to you.

Aspen Wealth Management Programme

- The Aspen Wealth Management programme gives you an ongoing relationship with your adviser.
- We charge 1% p.a. (discounts apply from £1 million) continued intermediation to maintain a portfolio selected from the whole investment universe via a suitable custodian. We provide and update Lifetime Cash Flow plans and a personal service to help achieve your goals as well as assistance in other areas such as tax planning and annual returns.
- We use sophisticated portfolio modelling techniques based on some of the best academic research available today, as well as accessing institutional funds not normally available to the retail investor.
- It is designed to deliver a return on the desired risk and in which we seek to reduce overall investment risks and total cost of investment when comparing other managed funds available to retail investors.
- In addition to agreed individual statements, online valuations are available at any time.
- We will arrange for any agreed rebalancing and regular assessments of your portfolio. We may advise on trades that need to take place on an advisory basis or, if separately agreed, appoint a discretionary manager for this purpose. This may be automated or subject to your agreement. In addition, we will assess your portfolio every quarter and may advise that trades take place in that quarter if the percentage of individual investments are outside of an acceptable tolerance.

- We may advise you on the switching between funds, when necessary alongside regular reports. Changing funds is always subject to your approval and we do not charge any fee for this.
- You will receive a minimum of one annual review. Formal meetings with an adviser will take place at least once a year for portfolio value in excess of £50,000. Smaller portfolio may require a meeting every 24 or 36 months. At our discretion, we reserve the right to charge for additional meeting time.

Fees apply to the total of all amounts deposited into investments by an individual or within a single household. Unless specified differently, our fees are deducted on a monthly basis as 1/12 of the specified annual fee.

Alternative Advisory

We can offer this alternative advisory service to suit clients who require and specify a style of investment outside of the programme's investment policies.

Self-Select

For sophisticated investors wanting no advice and to select funds themselves we offer a reduced cost service (on a case by case basis) consisting of telephone and administrative support with annual and, wherever possible, online valuations available at any time.

11.1 Paying by Commission (Regular premium insurance contracts only)

If you buy an insurance product, we will normally receive commission on the sale from the product provider. Although you pay nothing up front, that does not mean our service is free. You still pay us indirectly through product charges. Product charges pay for the product provider's own costs and any commission. Where this applies we will disclose the relevant commission.

11.2 Paying hourly

Occasionally we will undertake work that does not require a specific product or service. In these instances, we will agree to our fee based on a fixed amount or the following hourly rates:

Consultant	£ 159.00
Administration	£ 31.60

11.3 VAT (Value Added Tax)

Under current legislation, fees for intermediation (whether or not implemented) is not subject to VAT. Other areas of advice may attract VAT and you would be advised in advance.

12. Material Interest

We will act honestly, fairly and professionally. There is also a regulatory framework we work, known as conducting business in 'Client's best interest'. Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other client's conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

In accordance with the rules of our regulator, we are prohibited from accepting any payment (commission or other non-monetary benefits) which is likely to conflict with the duty of the firm to its clients.

13. Right to Cancel

We will inform you of your statutory right to cancel. The Distance Marketing Directive normally grants you 30 days in which you may cancel a life or pension contract. However, there will be occasions where no statutory rights are granted, however this will be explained before any contract is concluded.

In general terms, you will have a 30-day cancellation period for a pure protection policy and a 14 day cancellation period for a general insurance policy.

14. Complaints

If you wish to register a complaint, please contact the firm via the address, email or contact number given on the front of this document. If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service.

For this purpose, we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning.
